Methodist Services Sunday.

Sunday was Rev. Howard Dutill's last Sunday in the conference year at the Methodist church. He preached two fine sermons morning and evening, his line of thought in the morning being the way or path of the Christian and his evening theme being on the divine light and truth. At the close of the morning service the last church conference of the pastoral year was held. The church membership was reported to be 232.

The following stewards of the church for the ensuing year were announced:

W. K. Zewadski, L. N. Green, M. M. Little, W. J. Chambers, F. O. Reagan and E. L. Ley.

The following departments of the church were reported as having raised during the past year the following

Sunday school, \$296.28; Woman's Foreign Missionary Society, \$43.29; Woman's Home Missionary Society, for liquidating church debt, parsonage work, etc., \$623,72; Epworth League, 28.26; Junior Epworth League, \$5 00.

The conference unanimously voted to extend to the Florida annual conference, which meets in Quincy this week, an invitation to meet in Ocala next time.

At the evening service Rev. Dutill thanked all those who had helped him in his work and said he had tried to do his best for the Ocala Methodist church. He leaves tonight or tomorrow for Quincy.

The Epworth League had an interesting service at 3 p. m. and announced a special league service to be held next Sunday at 11 a. m. as that day If Ocala had a population of 50,000 is "Epworth League Day," and will be generally observed by all the leagues of Southern Methodism.
